

**In memory of Brian A. Curran (1953-2017) - Call for Papers  
Aegyptiaca. Journal of the History of reception of Ancient Egypt**

Dear friends and colleagues,

Brian A. Curran passed away July 11. Brian was a brilliant researcher and his invaluable publications are cornerstones of the research into the history of reception of ancient Egypt. Everybody involved in “Aegyptiaca. Journal of the History of reception of Ancient Egypt” is grateful that Brian was a member of the advisory board of the Journal and helped with words and deeds as far as it was possible for him. In order to honour Brian's contribution to the research, Jean Marcel Humbert recommended to dedicate the next issue of “Aegyptiaca” to the memory of Brian, an idea strongly supported by the editor and the advisory board.

Everybody who feels close to Brian or his research is invited to submit a paper. You can find a "guide for authors" on the webpage of the Journal mentioned below and please feel free to contact me with questions and suggestions. As the next issue of “Aegyptiaca” will come out by February 2018 and we need some time for the peer-review, proof-reading and editing, the papers should be submitted not later than December 4.

Best wishes  
Florian Ebeling
